To Whom it May Concern:

On behalf of Polk Vision and Leadership Polk, I would like to offer a belated thank you for participating in our Leadership Polk class day in November. We appreciate you taking the time out of your busy schedule to be part of the Leadership Polk program. It is volunteers like you that make each class day memorable.

Unfortunately I was unable to attend the class day as I had a baby on November 10 and have been on maternity leave for the past 8 weeks. I did hear great reviews of the day from Colleen Burton and the class participants. Everyone enjoyed the opportunity to see your new design center and hear about the products of Danielle Fence. The class was very impressed with your operation and the quality of your product.

Thank you for helping to make our time in Mulberry informative and enjoyable for Leadership Polk Class IV.

Warm regards,
